SUMMARY

I'm enthusiastic about applying my skills in a dynamic work environment, contributing to both company's success and personal growth. I thrive on challenges and aim to make a meaningful impact through innovative projects.

EDUCATION

Bachelor of Engineering in Computer Science Kongu Engineering College	GPA 7.37 / 10.0
11/2022 - Present	Erode, Tamil Nadu
Higher Secondary Education Shri Ganga Higher Secondary School	Grade 85.3 / 100
2021 - 2022	Erode, Tamil Nadu

PROJECTS

Food Ordering
02/2024 - 04/2024
https://github.com/Dhineshkumaran/Food-ordering
Short summary of your work
<ul style="list-style-type: none">This project offers a serverless hotel solution that allows customers to place orders with a single click on their mobile devices, streamlining the ordering process and reducing operational costs. By minimizing the reliance on human servers, hotels can cut labor expenses and improve overall efficiency while providing a seamless and modern dining experience for guests.
Harvest Hub
05/2024 - 06/2024
https://github.com/Dhineshkumaran/HarvestHub
<ul style="list-style-type: none">Harvest Hub empowers farmers by providing a direct-to-consumer platform, allowing them to sell products without intermediaries and retain more profits. Consumers benefit from fresh, locally-sourced products and transparent food sourcing, fostering trust and better pricing.
Student Activity Point Calculator
06/2024 - 07/2024
https://github.com/Dhineshkumaran/SAP
<ul style="list-style-type: none">SAP revolutionizes student activity point calculation and management using advanced image processing technology. This system streamlines tracking and recording student participation, ensuring efficiency, accuracy, and accessibility for both students and faculty.

VOLUNTEERING

Member
National Cadet Corps
04/2023 - Present
Being a member of the National Cadet Corps has equipped me with strong leadership, discipline, teamwork, and problem-solving skills, which are essential for any job. Additionally, it demonstrates my commitment, adaptability, and ability to handle challenges effectively.
Member
Indian Society for Technical Education
10/2023 - Present
Being a member of the Indian Society for Technical Education (ISTE) has equipped me with strong technical knowledge, problem-solving skills, and a commitment to continuous learning, making me a strong candidate for this job.

SKILLS
